Re: Request Under Rule 2.102 To Extend  
Time for Filing Notice of Opposition

In the matter of the above-identified application which was published in the Official Gazette of November 9, 1999, page TM 100, it is respectfully requested that the time for filing a Notice of Opposition to the above application be extended for a period of sixty (60) days from February 19, 2004 to and including April 19, 2004.

Opposer's counsel is in receipt of the Trademark Trial and Appeal Board's ("Board") Order dated February 2, 2004. The February 2 Order advised Opposer that Applicant's proposed amendment to its application was filed on January 12, 2004 and is being forwarded to the Trademark Examining Attorney for consideration. Opposer's counsel has also been advised that the Board will not suspend the proceeding for any reason.

This request is not made for the purposes of delay. Both parties require additional time to allow the Trademark Examining Attorney sufficient time to review Applicant's proposed amendment.

Applicant's attorney has agreed to this further extension.

Respectfully submitted,
